# OUR SUCCESS STORIES

## TAIWO ADEYEMI – BAND SCORE 7.5

I enjoyed both the lessons with my teacher and the online study course. I also found my personal study plan really useful as this helped me to see exactly what I needed to do to improve. Philippa, my teacher, was very approachable- I sent lots of extra homework and practice tests to her and she marked them all and gave me clear feedback. I would 100% recommend this course if you want to pass your IELTS exam.

## ANA KOWALSKI – OET GRADE B

I was a midwife in Poland before I moved to the UK in 2009. I loved my job in Poland and felt so frustrated working in domestic services here. I had failed the IELTS exam once before when I first spoke to Jordan at Fast Track IELTS. He recommended the OET test for me and helped me to pass. It was a positive experience for me and I am relieved to never have to worry about OET or IELTS again!

**97%**

of our students would recommend studying with us to a friend or colleague.

**88%**

of our students wish that they had started studying with us sooner.

# OUTSTANDING TEACHERS

Teaching our students is a delicate balance of skill, intuition, careful planning and empathy. It requires patient, smart and experienced people to do it well. Our teachers are dedicated to our shared mission: helping you to pass your exam the first time.

## JORDAN WHOTTON

Jordan is the Head Teacher at Fast Track IELTS and oversees all our educational programmes, in addition to training the other teachers. Jordan is born and raised in Nottingham but spent a number of years teaching English to students in Spain, Italy and Norway before moving back to the UK to support the development of our college.

17

## MADDIE LEE

Maddie graduated from Cambridge University with a First class degree. Following this, she qualified as a teacher and taught English at a secondary school in London. As an English teacher in this setting, Maddie gained a clear understanding of the areas of reading, writing, speaking and listening, which students whose first language is not English most struggle with.

## SAMUEL ALLEN

Samuel is a graduate of the University of Manchester and is currently based in Shanghai. Prior to joining the team at Fast Track IELTS, Samuel was an English teacher in rural China with the British Council. Samuel is brilliant at getting to know his students' strengths and areas for development, and consistently offers them detailed feedback.

## PHILIPPA SHAW

Philippa is a highly successful teacher with over 20 years' experience. Having a passion for languages and international culture, Philippa lived and worked as an English teacher at universities in Ghana and South Africa before joining Fast Track IELTS in 2014. Philippa now loves teaching online as it is so flexible for the students.

*‘My husband is proud of me, my children are proud of me, but mainly, I’m proud of myself for never giving up on my dream of becoming a nurse in the UK, no matter how hard it seemed. My teacher helped me to believe in myself and gave me the confidence to take the exams. I passed first time; it felt amazing!’*

– Anika Laghari, OET Grade B

‘Let us make **our future** now, and  
let us make our dreams
