How we help our pharmacists to pass OET

Unlimited group and 1-to-1 training with qualified OET teachers. Learn the exact techniques to pass all skills of OET.

Access our online study portal with study books, videos, and lesson recordings – everything you need to pass OET.

Complete sets of practice materials and past papers in all skills of OET.

Worried about OET? **Fast Track** are here to help!

“I’m worried I will fail”

We train you until you pass. If you fail, we train you again at no further cost.

“I don’t have time to study.”

Courses are flexible (7 days a week). You can choose times suitable for your schedule.

“The course might be too expensive”

We have flexible pay plans on all courses where you can pay in monthly instalments.

“I’m concerned about studying online.”

Our courses are convenient and have helped hundreds of pharmacists to pass OET .

“My English isn’t good enough”

Our teachers will help you to improve your English quickly with our proven course.

“I don’t know about OET or GPhC/OSPA registration.”

We’ll teach you OET from the beginning to a pass and guide you with GPhC registration.
